OUT & ABOUT

**SEPT 6 * SCIENCE IN
THE GARDENS**

More than just a green playground, this sprawling garden encourages kids to explore the science of flora and fauna. The little ones can

also take part in crafts such as making their own model of an ant and creating a leaf bookmark. *9am – 6pm, Jacob Ballas Children's Garden, located within the Singapore Botanic Gardens. Free. Visit www.sciencemonth.org.sg for details.*
